Honorable Bruce Babbitt  
Governor of the State of Arizona  
State Capitol  
1700 W. Washington  
Phoenix, Arizona 85007

Dear Governor Babbitt:

The enclosed editorial which appeared in today's newspaper reiterates the suggestion in my recent letter to you regarding the possibility of commuter train service.

I am a State employee working at the Capitol and I reside in Peoria. Train service would be ideal for me, and I am sure for many others in my area.

Respectfully,

*Ruth Lerner*
